

BRITISH FILM CERTIFICATION

CO-PRODUCTION

FINAL APPLICATION FORM

JUNE 2007

For further details on co-production or to arrange a meeting to discuss a particular project please telephone Rebecca Greenfield, Certification Manager on 0207 861 7521 or e-mail: [certification@ukfilmcouncil.org.uk](mailto:certification@ukfilmcouncil.org.uk)

## Introduction

Applicants should read the UK Film Council (UKFC) and DCMS 'Guidelines on film co-production' before filling out this form. They should also read the Treaty being used to ensure their co-production meets all the requirements in the Treaty. Co-producers may need to seek independent advice on any detailed questions they may have, and how to structure their co-production. Also, co-producers will need approval from the competent authorities from the other countries they are working with. The Guidelines and texts of the Treaties are available on-line at: [www.ukfilmcouncil.org.uk](http://www.ukfilmcouncil.org.uk)

## Definitions Pertaining to This Form

“Treaty” means either: a bilateral agreement between the UK government and the government of another country; or the European Convention on Cinematographic Co-production.

“A third country” means any non-co-producing country. It does not mean the country of a co-producer.

“Cash contribution” refers to a financial contribution where the money is guaranteed to be available, rather than being contingent on receipts for example.

The form uses the following terms for grouping film personnel:

- Producers Group: meaning producers, executive producers, associate producers, etc.
- Creative Group: meaning writers, composers, directors, etc.
- Performing Group: meaning actors, voice artists, stunt artists, extras, crowd artists, musicians, etc.
- Technical Group: meaning technicians and crafts personnel in broad terms. (E.g. accountant, assistant director, etc.)
- Other Staff Group: meaning caterers, security guards, car drivers, etc.
- “other EU/EEA labour” means personnel from outside the co-producing countries whose nationality is that of a country in the European Union or the European Economic Area.
